

Chapter 4

RECOLLECTRYOSHKA

-W.M.17-

*A thousand years ago,
Humanity waged a brutal war*

*Against a Monsterity rallied
by the Dark Sorcerer Dagalus*

FLM

*After the Great Sages
turned the tide of war
toward the Humans' favor*

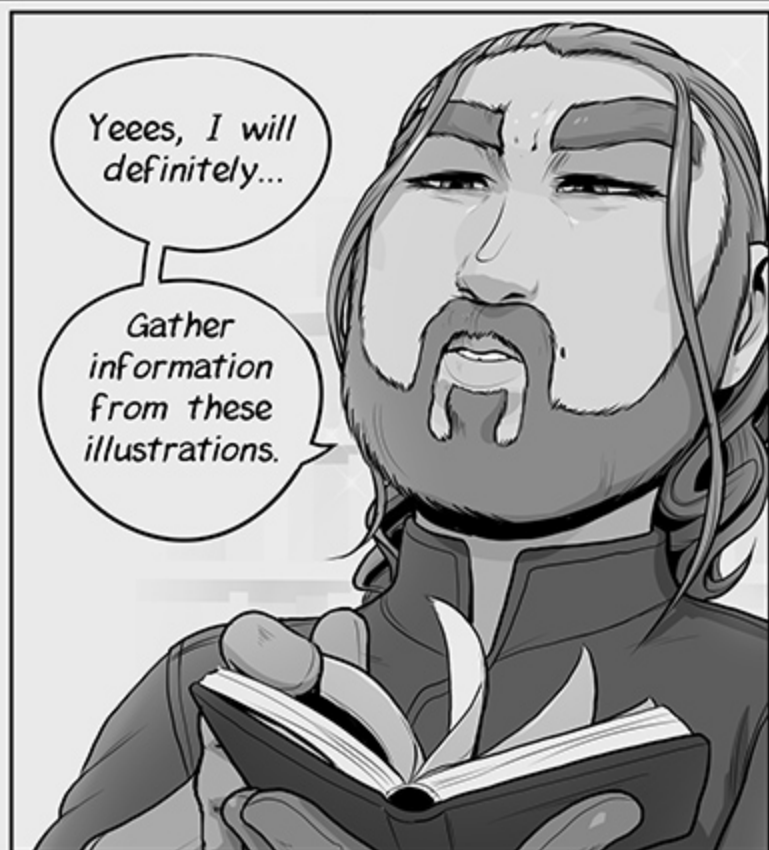

Dagalus was backed into a corner

*In his last moments,
he escaped true death*

*by sealing every part of his body
away and scattering them to the winds*

A few!

Only a couple people alongside the King know where they are hidden away.

The artifacts are so rare that many believe they're just a myth, but the Knights of...

Oh, but why are we discussing all this here when we should be having lunch!

Come come, I hear the chef was making chorizo nachos!

CHORIZO NACHOOOS!

Aaric, I've
tried everything
I can think of,
But you know.

I've never
been as good at
handling stressful
situations as you.

That
is true.

You know
she called you
her Uncle Aaric
the other

Oh my GOD,

Fiiine,

Is what I
told him.

So, what's
this problem?

You can't
touch metal?

Do you know
how few things I
do most days that
require metal?

I make tea
with a ceramic
teapot,

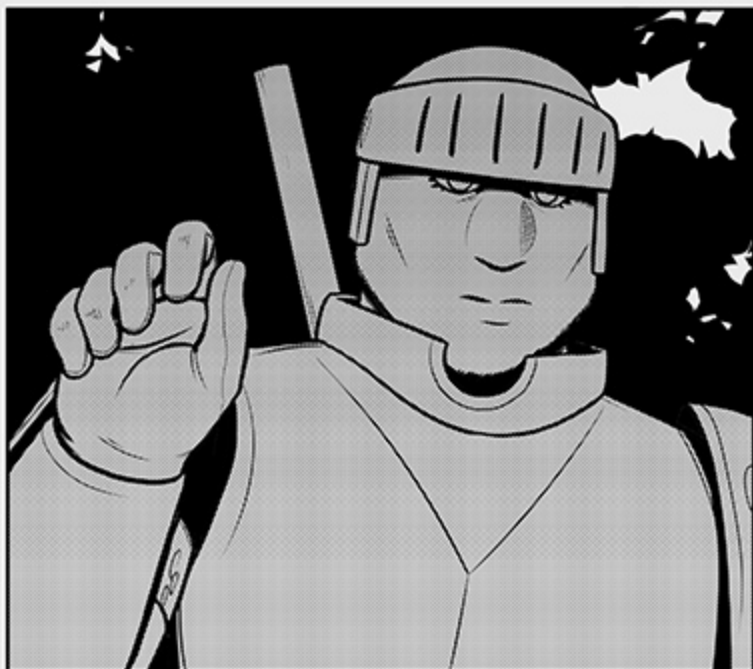

I make pie in
a ceramic dish,

I read a
book with
some pie
and tea!

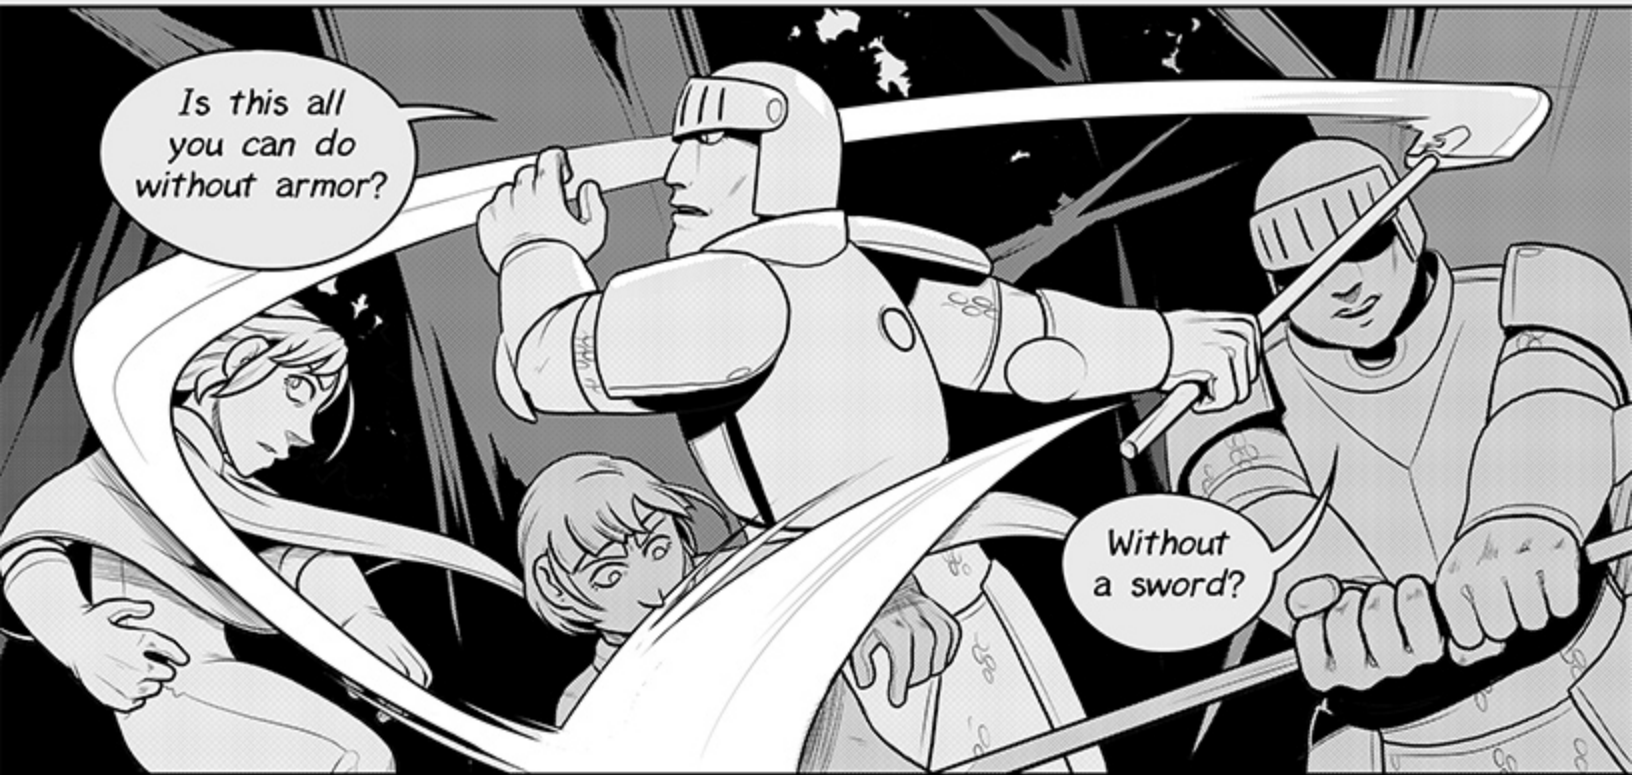

Man, I'm
in a rut.

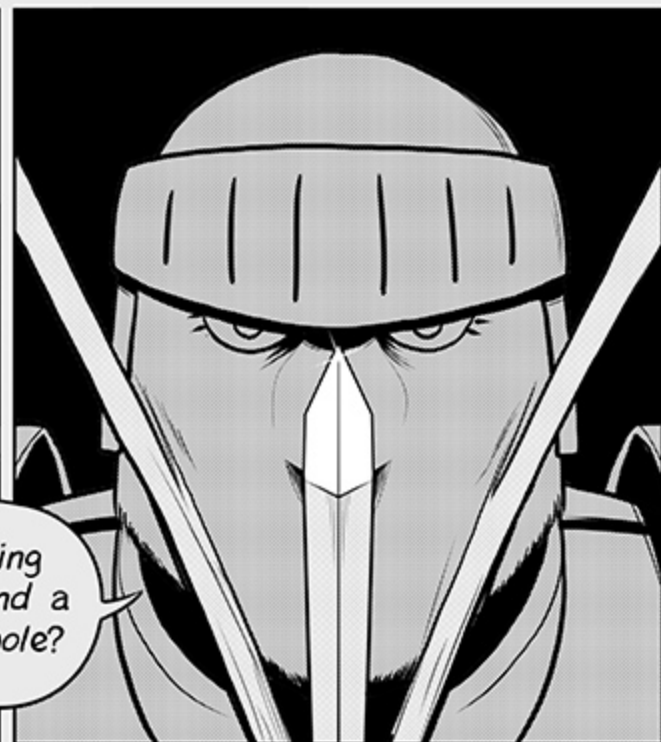

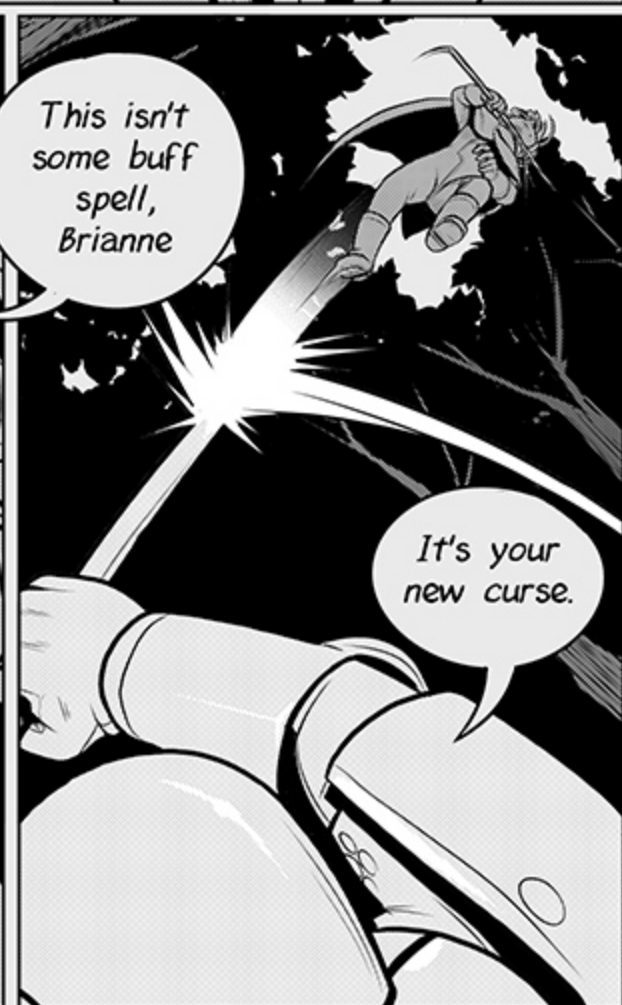

-WML7-

Trying to find a loophole?

This isn't some buff spell, Brianne

It's your new curse.

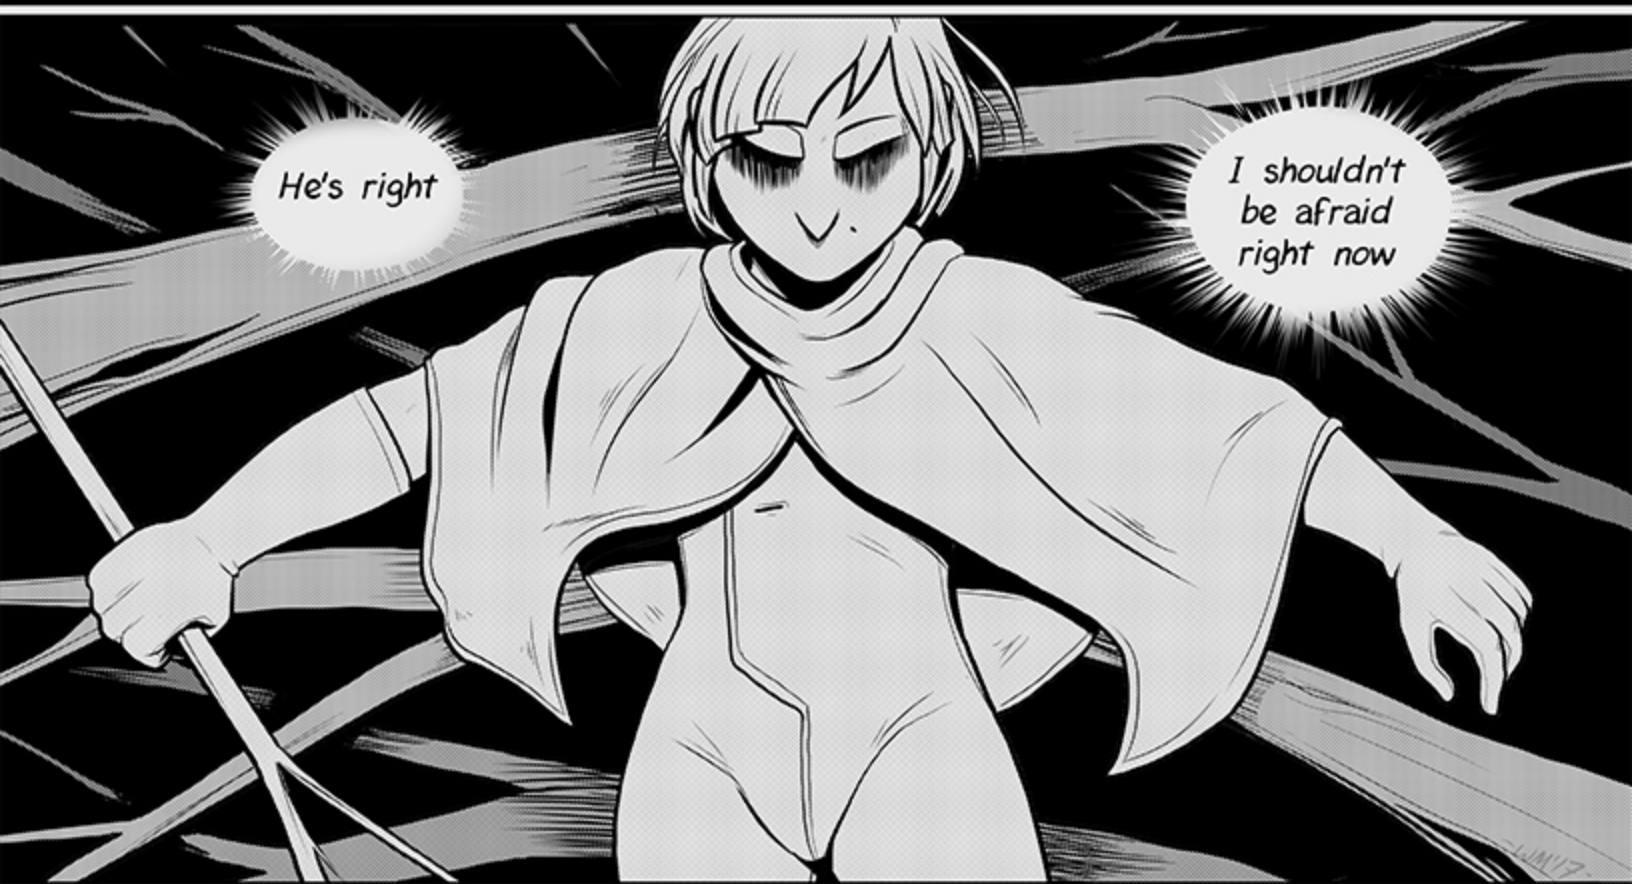

Curses are **MADE** to close loopholes!

2011

My new
curse

He's right

I shouldn't
be afraid
right now

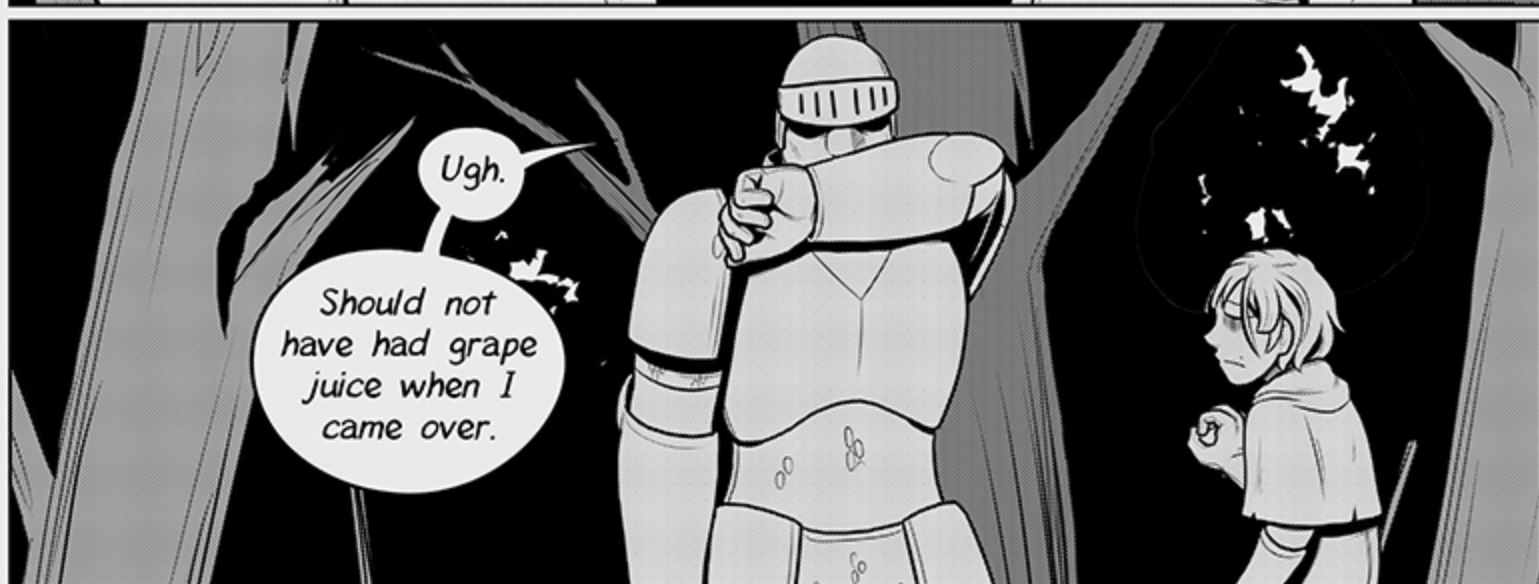

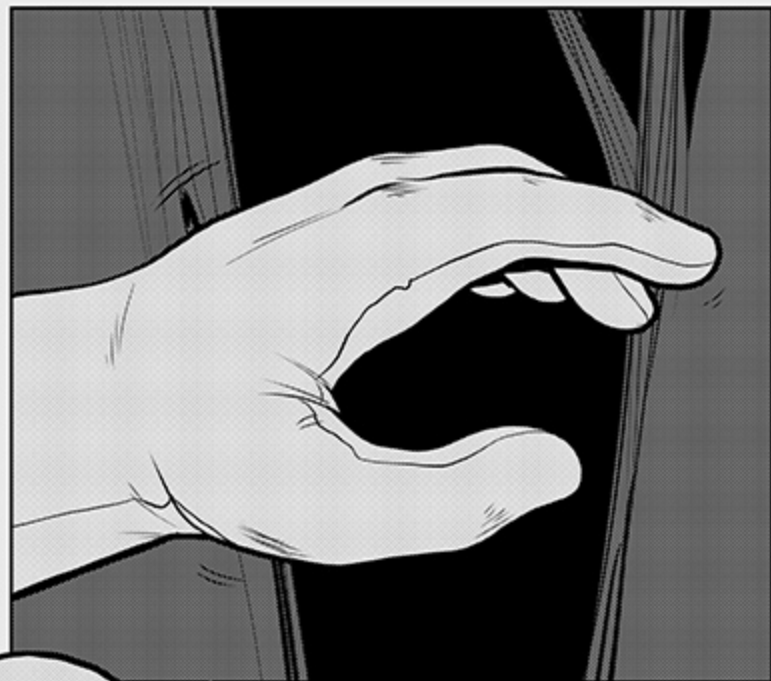

It's

MY
CURSE
NOW!

And THAT'S
the story of...
you telling
me about your
dad's love
of chorizo.

I think.

SAYA NO,
CHORIZARDS!

LOOK UP
THE PAGE ON
CHORIZARDS!

Oh!
Right.

Haha,
I can't read
English.

Haha

AAAAA!

MAYHAPS SEEKEST
AN EDITOR 'FORE
REVERIES TO COME
